## PRODUCT DESCRIPTION

**BELTS & STRAPS** is an offer of heavy ribbons and elastics, supplied in rolls or cut to order for industrial use, or assembled with accessories for the final customer. **BELTS & STRAPS** are most commonly used for fashion or promotional purposes. This is a HELIOTEXTIL concept that is based on already existing models using different base proposals, either plain or with the possibility of customizing with customer designs.

A cost-effective solution, flexible for small or larger quantities...
